SECTION 4. READING

Read the text about sport and choose the correct answer from A, B, C, D.

Many visitors travel to New York to discover the most fascinating city in the world. They watch the lights on Times Square, explore the Statue of Liberty, Brooklyn Bridge or Empire State Building or just spend the day away in Central Park. New York City consists of the central island of Manhattan and the four districts: Brooklyn, Queens, the Bronx, and Staten Island. Manhattan is where tourists prefer to spend most of their time. Manhattan also attracts people by its tall skyscrapers such as the Empire State Building and Chrysler Building. The streets of New York City and their shops, especially the ones on the 5th Avenue, attract both tourists and residents. New York City has an excellent selection of world-class museums and theaters. It is a center for culture and performing arts. Broadway is often the place where people go and see shows. Walking along the streets of New York City and looking at the skyscrapers give visitors a new experience. Here are some interesting facts about New York City. New York City has the largest population in the United States. It is 8,175,133 people. More than 26,000 people live in each square mile in New York City. New Yorkers travel an average of 40 minutes to work each day. They ride the New York City subway every day. The New York yellow cabs (taxis) are well-known in the world. More than 250 feature films are shot on location in New York City each year.

21. Why do visitors travel to New York?
A. to explore the most interesting urban area
B. to visit the famous places
C. to travel sightseeing place
D. to watch the interesting places
22. What do they explore there?
A. Landmarks in the USA.
B. Some bridges in the USA.
C. Only monuments in this city
D. Statues in this place.
23. What does the city consist of?
A. Brooklyn, Queens, the Bronx, and Staten Island
B. only four districts
C. an island and the four districts
D. central island of Manhattan
24. What area of the city do tourists tend to frequent?
A. Brooklyn
B. Queens,
C. Staten Island.
D. Manhattan
25. What draws tourists?
A. yellow cabs
B. feature films
C. the skyscrapers
D. Statue of Liberty

PART II

2.1. Read the passage and match the bold words with their synonyms.

Rock-climbing is a sport in which **participants** climb up, down or across natural rocks or made-up rock walls. The goal is to **reach** the top of a formation without falling. Climbers use their hands to support their weight as well as to provide balance. It is a physically and mentally **demanding** sport, because it tests a climber's strength, patience, and balance. It can be a **dangerous** sport and climbers should have a good knowledge of correct climbing techniques. Climbers use special climbing equipment to do it safely. Because of the wide range and variety of rock formations around the world, rock-climbing has been divided into several different styles. It is **recognized** by the International Olympic Committee as a sport.

- | | |
|-----------------|--------------|
